The loan is called 5-20 from the fact that whilst the Bonds may run for 20 years, yet the Government has a right to pay them off in gold,

The interest is paid half-yearly, viz: on the first days of November and May.

Subscribers can have Coupon Bonds, which are payable to bearer, and are \$50,\$50,\$500, and \$1-000: or Registered Bonds of same denominations and in addition, \$5,000 and \$10,000. For Bank ng purposes and for investments of Trust-moneys the Registered Bonds are preferable. These 5.20's cannot be taxed by States, cities, towns, or counties, and the Government tax on them is only one and a half per cent, on the amount of income, when the income of the holder exceeds six hundred dollars per angum; all other investmenst, such as income from Mortgages, Railroad Stock and Bonds, etc., must pay from
